

Our **Lake District Ski Week** is a 7 day/6 night ski adventure through the beautiful Lake District of Northern Patagonia, skiing at three of the finest ski resorts in South America: Cerro Catedral, Cerro Bayo, and Cerro Chapelco. We run our Lake District Ski Weeks during the month of August, starting on Saturdays and ending on Fridays. This trip can be combined with our Ruta 40 Ski Week to make our two week Patagonia Super Tour, completing our northern and southern circuits. We recommend accounting for at least one day in Buenos Aires on either end of your Ski Tour as a rest day between travel days and also to enjoy this incredible South American capital city.
